Seven Seas is Baton Rouge's only full service scuba facility. We have a custom designed 13 foot deep pool in the shop which is indoors, heated year around. We also have our own on-site classroom facility. We offer NAUI scuba courses through Instructor level, have a complete repair facility and a well stocked retail store featuring Scubapro equipment. We invite you to come by, tour our facility and see why Baton Rouge divers have supported us for 39 years. When you want the best choose Seven Seas!
